“You Can’t Get Out Of It” (Take The Journey)

“None of us is exempt from the reality we create for ourselves. Whatever a person, place or situation that presents itself to us; we create our reality how we respond back to any given situation. I can only speak from my own life – and experiences. The words come through me by the power of the Holy Spirit; Heart in Soul.” – FCSH

I decided to continue with the theme of “You.” The most fearful place to go

is inside of our self. We fear the passage we must take to meet up with the true you; you have become a stranger to yourself. We become preoccupied with things – and situations outside of who we are. Our responsibilities to family, the workplace, community, and friends take most of our time – and we find less time for quiet inner reflection. By the time you have a quiet moment for yourself, you are too exhausted to take the journey inside of you.

As the world continues to invent new – and advanced technology, it's become more competitive in society to stay ahead of the game. Our lives have become more *robotic*; we have become a part of the *machinery*. Our gifts – and talents become more demanding – and less relaxing; we feel the pressure of society to keep pushing.

“A doubled minded man (woman) is unstable in all his (her) ways.”
[James 1:8] When we become one with our *thoughts, deeds, and words* our life will become balanced inside – and outside. We will always have obstacles to overcome, but having a balance – and knowing yourself you will be able to withstand what comes your way.

Get to know you; *“The kingdom of God is within you.”* [Luke 17:20]

As I was in meditation – and listening to music, the words came quietly through me as I reflected upon my journey within. I passed through some of my experiences with people since birth. I saw my *thoughts, deeds, words* come to life; it was like going through a maze to reach my true self. Finally, I was able to receive *the kingdom of God within* – and the words came. After meditation, I was instructed to write the words down – and create a video to complement the message.

Take time every day for you; because you create your reality in how you respond to the situations in your life.

“It’s about you; nobody can make you do anything you don’t want to do, if you know you. You take you wherever you go.” – FCSH

“In The Name Of Eternal Freedom!”

A special thank you goes out to “B Silent” for producing the music from his cd “Abstract Soul / Don’t Stop;” for this video. His music complements – and mesmerize the words, visual – and voice. His guitar reaches deep into the journey in chambers of the heart.

YOUTUBE VIDEO – “YOU CAN’T GET OUT OF IT” (TAKE THE JOURNEY)

Lyrics:

You try to dance around it; you try to get out of it.
No way can you run from it... you can't get out of it.
The deeper you go; the more you want know... you can't get out it.

Knowledge - essential;
Experience - a necessity.

All things come to reality.
Oh yeah...

You can't get out of it.
The deeper you go the more you want to know... you can't get out of it.
That's what I'm saying...

You try to avoid it; you can't get into it.
You don't want to know it, but... you can't get out it.

There we go...
Now you know...

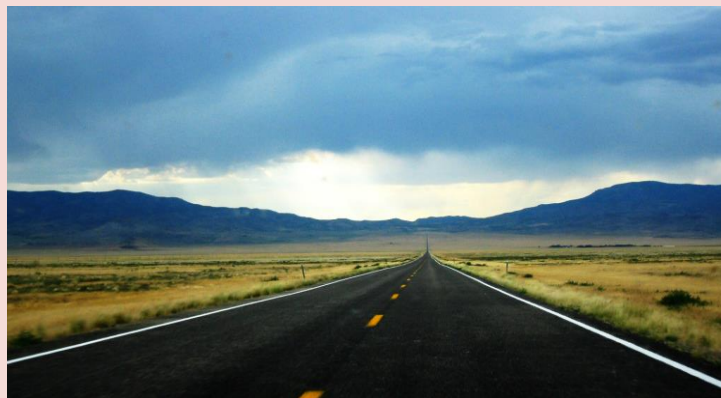

It's your reality; you created it... you can't get out of it.

Give it time; you'll synchronize.
You'll go deeper into it;
Heart in Soul, you really want to know.
You got to meet up with it; you can't get out of it.
You asked for it; you got it.
No way can you run from it; you can't get out of it.

It's you; you can't run from it.
Your creation, your reality; you can't get out of it.
It's you... it's you!
You can't get out of it.

You dance around it; you try to get out of it.
No way can run from it; you can't get out of it.
The deeper you go; the more you want know... you can't get out of it.
It's you.
You can't get out of it.
It's You!
