CONSUMMATE ME

Listen quietly to your heart...

Listen to the voice of Love.

Consummate me; mind, body, soul and spirit.

Consummate me in your baptismal waters of life.

Consummate me now; for I am ready to receive you.

Consummate me in your Purifying Love.

Consummate me... I am your flower;

I am your rose.

Consummate me...

And make me one with you.

Touch the chambers of my heart and let me live again..
Consummate me with your Love....
Consummate me in the bridal chamber.
I come to you.
Consummate me, as the sun rises and shines upon the moon.
Consummate me so I can bring forth your lasting Love...
The Love of the Father and the Mother.
Consummate me in your peace and let me live again.
Consummate me in the baptismal waters of life.
Purify me so I may receive you.
Consummate me in your Love.
Yes...
Shine your light upon me.
I am yours... forever more.

"Consummate Me" is for the individual who is seeking in their quiet moments of intimacy – and union with their true self; spirit. Once in the Spirit of Light; you may enter into the "bridal chamber." In the "bridal chamber," you are given the grace – and opportunity to consummate mind, body, soul in spirit with "Eternal Love." Now, you have entered the kingdom of heaven within. Now, you have found true freedom.

In my moments of prayer – and meditation I have stepped into the "bridal chamber."

"B SILENT's" music captures the consummation of mind, body, soul – and spirit in the chambers of the heart. His music ignites the balance with the four elements within the human being. His music moves the rhythm – and vibration of the Alpha Love inside of you. The primordial (primeval) beat ignites the first movement of the soul experiencing life; connecting back to its Source.

"B SILENT" as a producer – and musician takes you through the rhythmic sounds of becoming one with God's Universal Love. How could I deny myself of this genius music? – FCSH

"I cherish and give it my all. We all have a connection with music that transcends any lack of understanding in life. When we vibe off each other's energies, we tune in to a rhythm that is the primal and first cause of sound and movement." – B SILENT

"There is a Love inside of you that waits patiently to become one with you in spirit. In your quiet and meditative moments in prayer, you will experience the intimacy of the primordial; Eternal Love of God." – FCSH
